## Qualmark™

Whether you're looking for places to stay, things to do or ways of getting around, Qualmark provides the quality assurance you need.

Qualmark is New Zealand tourism's official mark of quality. All operators who display Qualmark have been independently assessed against a set of national quality standards that have been developed with you, the traveller, in mind. It identifies professional and trustworthy businesses so you can book and buy with confidence.

The Qualmark quality assurance system has a star grading system for accommodation and an endorsement system for other tourism businesses such as adventure activities, attractions, cultural and nature experiences, coaches, rental cars and more.

This is an example of the Qualmark rating or endorsement displayed by a business.
